SOME PEOPLE BUY A SPORTS CAR...

This August, Alan will be taking on **Ironman Leeds** – a 2.4-mile swim, 112-mile bike ride and a full marathon... all in one day.

He's doing it to raise money for **Lowther Primary School**, where his children attended. It's his way of giving something back by helping fund projects and opportunities that make a real difference for future pupils.

If you'd like to support the challenge, simply scan the QR code to donate. Or, if you see Alan around the restaurant, ask him how the training's going... he'll happily talk about it for as long as you'll let him.
