#### 6 PACK

*Loved your dinner?*

*Buy the kitchen a round of beers to enjoy at the end of the night because nothing says thanks like a cold beer in a hot kitchen... (6 for 12 quid)*

#### WELCOME HOME

*There are special occasion restaurants, then there are restaurants which try and make every occasion special. But to try and achieve the latter, you need people who care. You can teach someone how to set a table perfectly, but you can't teach someone to care about doing it. We care about doing it. There is no 'handbook' for hospitality, but we believe that if we surround ourselves with people who genuinely look after one another then the rest pretty much looks after itself. We aren't perfect and we can't promise to always get things absolutely right but we can promise to give you the raw, honest version of ourselves every time you come.*

*Welcome Home.*
